

## French Door

Front vertical opening, where the flaps open left and right.

1

Starting on the front side of the Flapper, fold open until the left and right flaps are folded back to display the 2nd message panel.

2

Holding the top and bottom of the Flapper, fold open until the top and bottom flaps are folded back to display the 3rd message panel.

3

Holding the sides, fold open until the left and right flaps are folded back to display the 4th message panel.

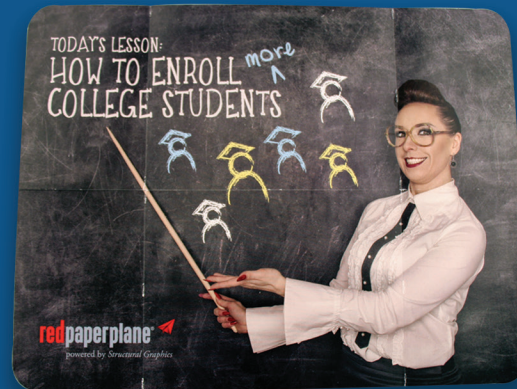

4

Holding the top and bottom of the Flapper, fold open until the top and bottom flaps are folded all the way back to display the panel where you began. Voila!

## Dutch Door

Front horizontal opening, where the flaps open top and bottom.

1

Starting on the front side of the Flapper, fold open until the top and bottom flaps are folded back to display the 2nd message panel.

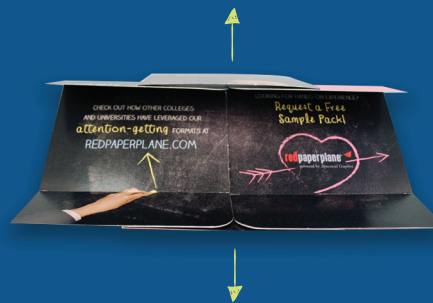

2

Holding the sides, fold open until the right and left flaps are folded back to display the 3rd message panel.

3

Holding the top and bottom of the Flapper, fold open until the top and bottom flaps are folded back to display the 4th message panel.

4

Holding the sides, fold open until the right and left flaps are folded all the way back to display the panel where you began. Tada!

**{WARNING!}** ONCE YOU START THE FLAPPER, YOU MAY NOT BE ABLE TO STOP.
